J. TRIBBLE

Collection

American Solid

Each of these solid wood sink bases is hand made with old world craftsmanship. These cabinets feature the texture, beauty and distressing of hand planed wood in cherry, walnut, alder and oak.

Dovetailed joinery and hand made steel and pewter hardware provide the perfect finishing touch for a truly authentic piece.

About Us

J. Tribble is proud to offer four original collections of hand crafted sink bases, produced to the highest standards in the United States, England and Italy. They include American Solid, English Veneer, Hand Painted and the Cottage Collection.

This brochure includes examples from our extensive sink base collection. To see the entire range we encourage you to visit www.jtribble.com.

J. Tribble offers standard sizes but our in-house designers can work with you to customize any sink base.

Shown, at right, is an example of different sizes and layouts of our beautifully hand crafted Country French style.

By repeating style elements, J. Tribble can create a complementing mirror, make-up vanity, medicine or linen cabinet. These variations, among others, can be applied to any style or collection.

Bathroom Suite

J. Tribble designs linen cabinets, make-up vanities and mirror frames to complement any of our sink bases. Features such as adjustable shelves, clothing hampers, pullout ironing boards and overflow closet organization will maximize the storage and functionality in your bathroom.

The linen cabinet shown to the left is the perfect complement to the Bristol sink base but can be done in any style with any finish and hardware.

For the Home

In addition to our sink bases, J. Tribble creates complete kitchens, wet bars, and kitchen furniture such as islands, hutches, and buffets. These can be fashioned after any style in the sink base line or completely customized. J. Tribble also offers additional items for the home such as writing desks, entertainment centers, bookcases, dining tables and fireplace mantels.
